Customer Conference 2014 Programme Guide

Tuesday 20th May, Royal York Hotel

LAKE Customer Conference 2014

Royal York Hotel, Station Road, YO24 1AA

Tuesday 20th May

Welcome

Welcome to The Royal York Hotel and the LAKE Customer Conference 2014.

Today's conference includes live demonstrations of Q&A Evolve, the brand new and completely re-imagined Q&A (Vision) release that's coming soon. You will also see major new releases of SunSystems 6.2, Proactis 2014, and Cognos 10.2.

For the first time we are running in-depth sessions across three separate streams covering Financials, Procurement, and Performance Management, allowing you to get closer to the products you want to see.

The conference is also an excellent opportunity to network with the LAKE team and your peers. Please visit our meeting points in the Crown room before and after the conference and during your lunch break. Members of the LAKE team will be on hand to answer your questions and demonstrate the latest mobile solutions for SunSystems, Proactis and Cognos.

Enjoy the conference!

Adrian

09:45 – 10:30	Conference Registration Tea, Coffee and Pastries	Crown Room
